ABOUT ME

I'm someone who values quality in every task I do, and I always work passionately with the customer's best interests in mind. My biggest achievement is being a consistent top performer; I earned 100% QA last year with zero markdowns, proving my commitment to accuracy and excellence. I'm highly trainable, motivated to learn new skills, and my strengths include WordPress, Divi, Elementor, Squarespace, Kartra, SEO (Local, Technical and On-page), Google Analytics, Google Search Console, Google My Business, Yoast SEO, Rank Math, Screaming Frog, SEOptimer, Canva, MailChimp, and other AI tools.
